Extra Curricular Transportation Costs

The Board recognizes the importance of extra curricular activities and field trips. In order to ensure equitable use of the resources necessary to provide transportation to these events, the following criteria will be used.

The district may pay all transportation costs for any approved event. If a nonleague event or field trip is scheduled and it exceeds the farthest league trip, the extra mileage and driver's costs that exceed that mile limit, must be paid for by the athletic group or the class. Play-offs and State travel are excluded from the mileage limitation.
