Disposal of District Property

The Board may, at any time, declare district property as surplus and authorize its disposal when such property is no longer useful to the district, too costly to repair or obsolete.

If reasonable attempts to dispose of surplus properties fail to produce a monetary return to the district, the Board may dispose of them in another manner. Donating surplus items to charitable organizations or sharing them with other public agencies should be explored if the sale of such items is not feasible.

Computers that have been declared obsolete and cleared of personally identifiable information may be loaned out to students. Students who qualify for free or reduced lunches will have first priority.
