## **Emergency Drills**

Each building administrator will conduct emergency drills in accordance with the provisions of Oregon Revised Statutes. An emergency drill or rapid dismissal for fire, earthquakes or other emergencies will be held at least once each month during the school year.

Special drill activities may be planned by each building administrator to ensure orderly movement and placement of students in the safest available building area.

Drills and instruction on fire emergencies shall include routes and methods of exiting the school building. The district will conduct monthly fire drills. Drills and instruction for earthquake emergencies shall include methods of “duck, cover and hold” during the earthquake. Drills and instruction on tsunami emergencies shall include immediate evacuation after an earthquake, when appropriate, or after a tsunami warning to protect students against inundation by tsunamis.

Instruction on fire, earthquake and tsunami dangers and drills for students shall be conducted for at least 30 minutes each school month. For schools in a coastal zone, at least three drills on earthquakes that include tsunami drills shall be conducted each year.
