BOARD POLICY
INSTRUCTION

Code: IIABB
Adopted: March 8, 2010
Revised: December 15, 2014

Use of Feature Films/Videos

The Board holds that the showing of feature films/videos must have educational relevance to the class content that is being taught at the time of the showing. Since the content of these feature films is customarily designed for general audience viewing, the Board feels certain precautions should be taken to ensure that the showing of a particular film is consistent with the educational values espoused by the district. The Board directs that procedures be developed to accomplish this objective, including the provision that a parent has the opportunity to preview a film when practicably possible and that a parent must give prior consent before his/her student may view a film as indicated in the table below. All employees must abide by any relevant copyright laws for showing films and videos.

Grade Level	Without Parent Consent	Must Have Parental Consent
Elementary (K-5)	"G"	"PG"
Middle School (6-8)	"G" "PG"	"PG-13"
Senior High (9-12)	"G" "PG" "PG-13"	"R"

All "R" movies/videos must have prior administration approval.
