Field Trips and Excursions

The district recognizes the value of special activities in the total curriculum and agrees that students profit from carefully planned learning experiences.

Field trips and other student activities involving travel may be authorized by the superintendent or delegated representative when such trips or activities contribute to the achievement of desirable educational goals. In planning and authorizing such trips, primary consideration will be given to educational values derived and the safety and welfare of the students involved.

District students may qualify from time-to-time to participate in national competitions. The district will not provide financial support to students attending national competitions. However, if a student chooses to attend, the district will pay for a staff member or chaperone to accompany the student.

All out-of-state travel must have prior Board approval.
