## DISTRICT VOLUNTEER GUIDELINES/AGREEMENT

CODE: IICCA-AR  
ADOPTED: 12/15/ 07

As a school volunteer you are a greatly needed resource. The tasks you will perform enhance the learning process for the students of the district. The following list of information was compiled in order to help you provide the most effective service possible:

1. **Be positive** - Young people can be very sensitive and may have difficulty separating sarcastic humor from criticism. Listen to the way the teacher phrases directions and gives positive reinforcement. Teachers can serve as excellent role models. Avoid using sarcasm;
2. **Discipline will be managed by the teacher** - The volunteer's role is to assist the teacher in whatever ways you can. If a discipline problem occurs, inform the teacher;
3. **Be dependable** - Volunteers are very important. Therefore, it is essential for students and the teacher to know when a volunteer will be in the classroom. If you cannot come at a scheduled time, *please* call the office;
4. **Follow directions** - Ask questions! A volunteer must listen carefully to the directions given. If you do not fully understand what you are to do *please* ask for clarification;
5. **Maintain confidentiality** - Individual discipline problems, academic successes or failures, or any other student or staff discussions are to be kept confidential. Confidentiality is essential to protect the rights of privacy of students, parents and teachers. Gossip can be hurtful to individuals and may cause liability problems for the district;
6. **Injuries** - In the event that a volunteer is injured while performing volunteer services, an accident report must be filed with the school secretary as soon as possible. The district provides Workers' Compensation insurance for volunteers when they are serving the schools;
7. **Use of personal property** - Volunteers who use their personal property while serving the schools do so at their own risk. Personal property is not covered under district insurance policies;
8. **Auto insurance** - If a volunteer's personal automobile is used for school use, the individual's auto insurance is the "primary carrier." A minimum of \$300,000 liability policy is needed for coverage within the state maximum liability claims;
9. **Sign-in sheet** - All volunteers must sign in on the form in the school office when entering or leaving the building;
10. **Screening/training/supervising** - Volunteers will be interviewed, trained and supervised by the staff within the building that they are working. A staff supervisor will be designated for each volunteer. As a volunteer in the district, I understand that the supervising employee is responsible for determining my role in the classroom or program. My role **does not** include supervision or disciplining of students.

The district reserves the right to refuse or terminate any volunteer services.
