Weapons in the Schools

Students shall not bring, possess, conceal or use a weapon (including toy weapons or replicas of weapons) on or at district property, activities under the jurisdiction of the district or interscholastic activities administered by a voluntary organization approved by the State Board of Education (i.e., Oregon School Activities Association). This policy applies 24 hours a day, every day of the year.

For purposes of this policy, and as defined by state and federal law, weapons include:

1. “Dangerous weapon” - any weapon, device, instrument, material or substance, which under the circumstances in which it is used, attempted to be used or threatened to be used is readily capable of causing death or serious physical injury;
2. “Deadly weapon” - any instrument, article of substance specifically designed for and presently capable of causing death or serious physical injury;
3. “Firearm” - any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive, frame or receiver of any such weapon, any firearm silencer or any other destructive device including any explosive, incendiary or poisonous gas;
4. “Destructive device” - any device with an explosive, incendiary or poison gas component or any combination of parts either designed or intended for use in converting any device into any destructive device or from which a destructive device may be readily assembled. A destructive device does not include any device which is designed primarily or redesigned primarily for use as a signaling, pyrotechnic, line-throwing, safety or similar device.

Weapons may also include, but not be limited to, knives, metal knuckles, straight razors, fireworks, noxious, irritating or poisonous gases, poisons, drugs or other items fashioned with the intent to use, sell, harm, threaten or harass students, staff members, parents and patrons.

Prohibited weapons and replicas of weapons possessed on or about a person while on district property are subject to seizure or forfeiture.

In accordance with Oregon law, any employee who has reasonable cause to believe a student or other person has, within the previous 120 days, unlawfully been in possession of a firearm or destructive device as defined by this policy, shall immediately report such violation to an administrator, his/her designee or law enforcement. Employees who report directly to law enforcement shall also immediately inform an administrator.

Administrators shall promptly notify the appropriate law enforcement agency of staff reports received and at any other time there is reasonable cause to believe violations have occurred or that a student has been expelled for bringing, possessing, concealing or using a dangerous or deadly weapon, firearm or destructive device. Parents will be notified of all conduct by their student that violates this policy.

Employees shall promptly report all other conduct prohibited by this policy to an administrator.

Students found to have violated the district's zero-tolerance weapons policy shall be expelled for a period of not less than one year. The superintendent may, on a case-by-case basis, modify this expulsion requirement. The district may also request suspension of a student's driving privileges or the right to apply for driving privileges with the Oregon Department of Transportation, as provided by law. Appropriate disciplinary and/or legal action will be taken against students or others who assist in activity prohibited by this policy.

Special education students shall be disciplined in accordance with federal law and Board policy JGDA/JGEA – Discipline of Students with Disabilities, and accompanying administrative regulation.

Weapons under the control of law enforcement personnel are permitted. The superintendent may authorize other persons to possess weapons for courses, programs and activities approved by the district and conducted on district property, including but not limited to, hunter safety courses, weapons-related vocational courses or weapons-related sports.

The district may post a notice at any site or premise off district grounds, that at the time is being used exclusively for a school program or activity. The notice shall identify the district as the sponsor, the activity as a school function and that the possession of firearms or dangerous weapons in or on the site or premises is prohibited under ORS 166.370.

In accordance with the federal Gun-Free School Zone Act, possession or discharge of a firearm in a school zone is prohibited. A "school zone," as defined by federal law, means in or on school grounds or within 1,000 feet of school grounds.

“Gun-Free School Zone” signs may be posted in cooperation with city and/or county officials as appropriate. Violations, unless otherwise excepted by law or this policy, shall be reported to the appropriate law enforcement agency.
