**Suspension\*\***

The Board authorizes student suspension for one or more of the following reasons:

1. Willful violation of school regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student, other students or staff members;
4. Willful conduct which endangers school property.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a plan for readmission. No suspension shall extend beyond ten school days. The district may require a student to attend school during nonschool hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students. The decision as to whether a suspension is in-school or out-of-school will be made by the principal and depends on the nature of the offense and/or the student's prior disciplinary history.

Students who are suspended may not attend after-school activities and athletic events, be present on district property without permission from the principal, or participate in activities directed or sponsored by the district.
