

**Have a safer school year online.**

PC Matic is offering free anti-virus/malware software for 1 year to any Nestucca Valley School District student family or staff member. PC Matic prevents unknown programs from running until they are verified and provides continuous protection against the latest online threats.

Limit 1 license per household. Each license allows for installation on up to 5 Windows PCs or MACs.

To take advantage of this offer:

1. Send your name, email address & phone number to [schools+nestucca@pcmatic.com](mailto:schools+nestucca@pcmatic.com)
2. Within approximately 1 business day, you will receive email instructions on how to download and install your free PC Matic license.
3. Any questions about this offer or PC Matic can be directed to [schools+nestucca@pcmatic.com](mailto:schools+nestucca@pcmatic.com)
