Re: Route Changes in case of flooding (AM and or PM Flooding)

If flooding should occur on the lower *Nestucca River, Pacific City-Woods-Resort Drive* areas, the following bus might be required to change their route.

Blue-Should be OK to Woods, if Old Woods is blocked then via Pacific City to Hwy 101 continue with route. Students on Old Woods Rd would have to get to NJrSr Hi via private vehicles.

Black, Brown, Orange, Red, CAMO (SPED), HTR / ALT, should be unaffected unless the County has issues.

The afternoon drop sites will be the same if areas are still flooded. .
