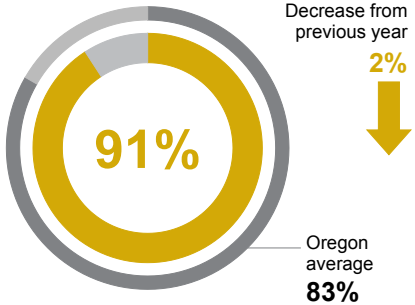
Students earning a high school diploma or GED within five years.



COLLEGE GOING

Students enrolling in a two or four year college within one year of completing high school.

School Goals

In collaboration with families and community, NJSHS:

Provides a safe, healthy, supportive environment

· Promotes social and emotional health, academic excellence, growth and achievement for all students

· Develops hard working, responsible, self-directed, confident, collaborative problem solvers, who are ethical citizens

· Implements challenging, innovative learning opportunities using best educational practices

· Develops cultural competence, embraces diversity

Our goal is to inspire individual excellence, diligence, self-awareness, and lifelong learning.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

The safety of our students and staff are always our first priority. As a district we strive to balance the practice of creating a welcoming environment while also maintaining the highest of safety standards.
· All staff and students (K-12) are ALICE trained

· All staff have been trained in Adverse Childhood Experience (ACES)

· All staff practice an "open door" policy with our families and stakeholders

· District staff work collaboratively with all community partners to engage and support our families

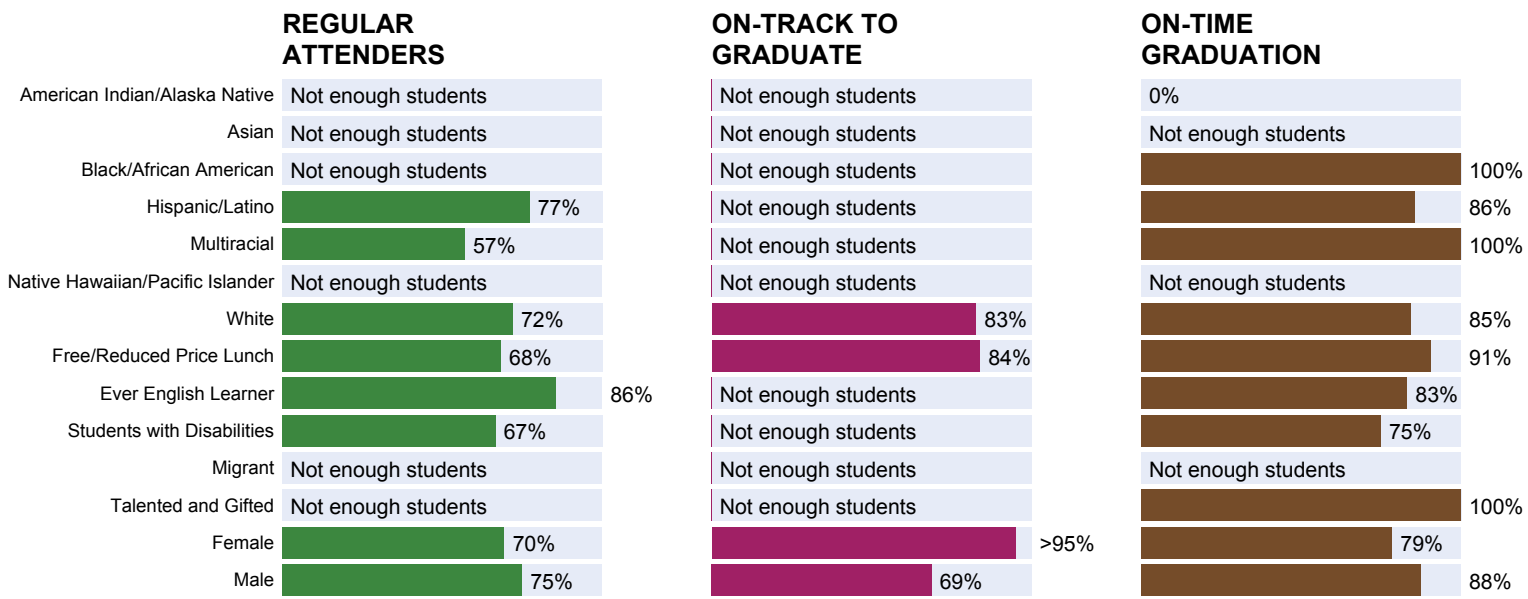
Outcomes



About Our School

ADVANCED COURSEWORK

Along with the opportunity for three years of Spanish, Nestucca also partners with Tillamook Bay Community College and Chemeketa Community College to offer students dual college/high school credits. TBCC teaches an English class each term here on campus, where our students have the opportunity to take the class and receive dual enrollment credit. In addition, Chemeketa Community College offers many online courses that our students are able to sign up and take during school hours to earn dual credit.

CAREER & TECHNICAL EDUCATION

Our students have the opportunity to enroll in CTE courses in the Agricultural Sciences and in Health Occupations. We are currently developing programs in Computer Technology and Art. Along with these certified CTE courses, we also have a Junior Career Exploration project and SOAR project to prepare our students for life after high school.

EXTRACURRICULAR ACTIVITIES
