AWOL Library Chargers: There are 3 Library Chargers that are Missing in Action. Please check your backpack and see if you have one of them. They have a barcode sticker that says "Nestucca High School" Remember if you borrow a Library laptop or a charger it is to be returned at the end of the day. If you need one longer term talk to the office.

Ms. Winesburgh's room will be open from 3:15 to 5:00 Monday and Thursday next week for Study Hall.

Remember, in order for us to stay in person, we need to all be doing our part. This includes wearing your mask on the buses, and wearing it properly...at all times. No one likes to be the Mask Police. Honestly, no one likes wearing masks, so just do your part, follow the rules so we can stay in person and get through this.

Looking for extra cash and a flexible schedule? Willing to work with younger students? The K-8 after school program is still looking for high school assistants. See the office for an application.

The ASVAB test will be here on Tuesday, January 25. If you have questions or would like to sign up, see Susie in the Career Center.
