

DEVICE & INTERNET ACCESS AT HOME

Please fill out the form below, download it and save it to your computer. Later in the registration process you will need to upload this document. Please make sure you fill out one of these forms for each of the students in your household.

Once you have saved the form to your computer, click the back button in your web browser and resume registration.

First Name _____

Last Name _____

Graduation Year _____ 5 or more character password

We want every child to have their own technology device for learning. Does this child have his or her own laptop, Chromebook, etc. for distance learning?

- Yes, my child has a device.
- No, my child does not have a device to use on their own

If you stated that this student needs a device to use, would he or she prefer a laptop or Chromebook?

- Laptop
- Chromebook

Does this child have access to internet at home?

- Yes, we have high speed internet
- Yes, we have satellite internet
- Yes, we use a hotspot for internet
- No, we do not have internet at home

If you said yes to having internet, can you download and upload videos?

- Yes
- No

If the district were able to provide high speed internet during COVID distance learning, would you be interested?

- Yes
- No

If you are comfortable sharing, how much do you pay for internet? If you are not comfortable, just leave this question blank.
